# Parent-Link & GC-4 E-News Sign Up Form

Parent-Link and GC-4 E-News are **FREE** services offered to all district parents/guardians. This form will sign you up for both opportunities. Parent-Link provides you online access to the most up-to-date information about your student's progress in school. The district E-News provides you the latest district news and events in your email box on a regular basis and special notices (such as school closings, emergencies and news alerts) as needed.

Parent-Link allows you to monitor current K-12 student attendance, discipline, fines and fees, and medical information. For grades 4-12, you can also view student grade progress; track individual assignments by seeing the teacher's grade book, and find out how your student did on a test. All information can be viewed daily as teachers enter it into their grade book. Grade books are not available for K-3 students.

Once you complete the form below, and turn it in to the front office of your student's school, you will be signed up for both services. For Parent-Link access you will receive an email containing a username and password from [parent.link@csd4.k12.mo.us](mailto:parent.link@csd4.k12.mo.us). Please check your spam filter if it does not show in your inbox. You do not need a username or password for access to the district E-news. This service will come to your email box automatically. To access Parent-Link go to [www.parentlink.csd4.k12.mo.us](http://www.parentlink.csd4.k12.mo.us) and enter your username and password. **\*\*Please note: One form per student must be filled out and returned to each student's respective school. You will receive one username and password that will give you access to all registered students (grades K-12). If you have not received your username and password within a few days after returning this form please contact your student's school office.**

*Please be aware that your email address may be shared with organizations directly affiliated with Grandview C-4, such as Grandview PTA, Grandview Education Foundation and school booster clubs. We will not sell or share your email address with any outside organization at any time. You can unsubscribe from the GC-4 E-News at any time and still maintain access to Parent-Link.*
