

# Belvidere Teacher Receives OfficeMax “A Day Made Better” Award

Belvidere Elementary fourth grade teacher, Yvette Harris, received a surprise visit from the Overland Park, Kansas OfficeMax representatives who presented her with the “A Day Made Better” award which included a giant “prize box” filled with \$1,000 worth of classroom supplies on October 4 during a Belvidere assembly program. OfficeMax representatives Ryan Lillig (Store Manager) and Brittany Conner (Impress Manager) presented the award to Mrs. Harris and her classroom students. The “prize box” included a new desk chair, a printer and a digital camera. OfficeMax is presenting the award and supplies to 1,000 deserving teachers across the county to honor and celebrate their extraordinary efforts in the classroom. OfficeMax also presented Belvidere with several boxes of collected donations of school supplies from customers for use by the entire school.

Mrs. Harris was nominated for the award by Belvidere Principal Liz Means. This is the second year in a row that a

Belvidere teacher has received the award. The “A Day Made Better” project is a national event founded by OfficeMax in partnership with the non-profit organization, Adopt-A-Classroom. The project’s focus is to lead the fight against teachers having to spend their own money on classroom supplies.
