

GHS ProStart Honored At Sodexo Culinary Throwdown

Congratulations to GHS ProStart students for winning overall Second Place, Best Table, Best Salad and Best Use of Mystery Ingredient at the 2011 Sodexo Culinary Throwdown held on December 7 at the Belton Freshman Center. The winning GHS team members were Marissa Stockton, Triston Lane, Anthony Kort, Roy Dennis and Breeana Humphrey. This was the area's first Culinary Throwdown and was sponsored by the Sodexo Company, the Grandview C-4 foodservice provider.

GHS competed against teams from Belton and Center high school. Each team consisted of five select ProStart students. Teams had two hours to complete their salad and entrée items using the "mystery ingredient" given to them upon arrival. They also had to prepare and attractively display 50 portions each of the salad and entrée items for

sampling by the judges and audience members. Award categories for the event included Best Entrée/Side Dish, Best Salad, Best Table (determined by audience members); Best Use of Mystery Ingredients and Team Spirit (determined by Executive Chef Judges) and 1st, 2nd, 3rd Grand Prizes.
