

# Grandview Sam's Club Awards GHS \$5,000

Grandview Sam's Club representatives delivered a \$5,000 grant award check to Grandview High School in early December. The award is sponsored by the Walmart Foundation, whose mission is to improve the lives of community individuals through financial contributions, in-kind donations and volunteerism. Pictured (from left) are GHS Principal Shunton Hammond, Vanessa VanReed, Sam's Special Events Setup Team Leader and Todd Harris, Grandview Sam's Club Manager. GHS will be using the award to assist students with ACT test preparation and cost.

Grandview Sam's Club employees earned the \$5,000 grant amount through their accumulation of community volunteerism hours achieved by participation in projects such as the 2011 Grandview Education Foundation Walk/Run and Trivia Night events (both benefiting Grandview C-4 teaching grants and student scholarships).
