

Conn-West Donates Over 900 Food Items To GAP

Conn-West Elementary School delivered 922 non-perishable food donation items to the Grandview Assistance Program (GAP) on Monday, September 12. All of the items were collected by the Conn-West students as a

part of the school's "Dress Down" for GAP Food Drive conducted on September 6-9.

Students who donated a food item were allowed to wear casual (appropriate to district dress code) clothing to school on September 9. Pictured are students from Mrs. Copen's class (the top food collectors with 75 items) with Conn-West Principal LaTanya Franklin (back-center).
