

LINC Sponsors Conn-West Landscape Project

The Local Investment Commission (LINC) sponsored a Conn-West "Beautification Day" on Friday, September 9. Volunteers from LINC, Southview Christian Church and Conn-West (parents, staff and patrons) installed new landscaping in the front building area of Conn-West Elementary School.

Southview Christian Church also donated funding for some of the landscaping items installed. You can view the project video at <http://tinyurl.com/3hfssb5>, and the complete project photos at <http://tinyurl.com/6khhles>.
