

Conn-West Students Present Thanksgiving Play and Dinner

On Wednesday, Nov. 18th, Mrs. Copen's Conn-West Elementary second grade class presented a Thanksgiving play followed by a turkey dinner while wearing pilgrim and Indian costumes they had made. During the dinner a special PowerPoint slide show, created by the students, was presented.

The show featured a slide from each student telling of their favorite Thanksgiving things associated with the letters of the word "Thanksgiving". The dinner consisted of traditional Thanksgiving dishes brought by the parents in attendance.
